

Accessibility for *efqli* events

efqli recognises equal access for people with disabilities and deaf people and its obligations under Belgium law.

efqli will consider the needs of all those wishing to participate as is reasonable and expected under Belgium law including¹:

- (a) venue access
- (b) technological access
- (c) event program access
- (d) registration and outreach access

efqli supports the presence of personal support/assistance at our events and will consider price which covers the costs of refreshments/catering only for those in support roles. In accordance with our 'Issuance of Certificates of Participation' support workers will not be eligible for Certificates of Participation.
